Doll Fashionistas: Beautiful Dolls and Ultra-cool Fashions You Create With Needle and Thread

Ellen Lumpkin Brown : Doll Fashionistas: Beautiful Dolls and Ultra-cool Fashions You Create With Needle and Thread before purchasing it in order to gage whether or not it would be worth my time, and all praised Doll Fashionistas: Beautiful Dolls and Ultra-cool Fashions You Create With Needle and Thread:

0 of 0 people found the following review helpful. great book!By jessicagreat book!! came in fast! Easy patterns. easy to make! please make sure that the dvd is there when ordering because it helps to walk you through it. Something in the dvd is not the same in the dvd for some reason. Do not order things from the authors web site. She Has kits that you can buy with so-called everything you need. very costly! I was so disappointed. The package came with things in kitchen ziplock bags. There was not enough yarn for hair. The pencils that were sent were only stubs of pencils that were already used even the regular pencil too. It was so unprofessional. The lesser priced kit was supposed to come

with a dvd and she sent a cd-rom disk???. Go to the craft store and buy your supplies..will be much cheaper! the book is easy to understand. I loved it. Also great for those new to doll making..2 of 2 people found the following review helpful. Wonderful Doll bookBy Playful TI love this book! It has helpful item lists for each level of doll maker. Easy to find and use items, nothing you can't find at the local crap stores. Joann had everything on the list that I needed. Love the doll faces! And even better there is a face template! That is the tough one for me. The ideas are unique and the dolls are modern. I would recommend this book to new crafters and experienced alike.2 of 2 people found the following review helpful. Highly recomended to beginners cloth doll makersBy Maria IsabelExellent text doll making book. Beautiful dolls, with beautiful faces, outfits and hairs. Easy to follow for a non english speaking native language. I love it, I've been reading every single page up to the second chapter to make sure I have understand and I can't wait to start my first doll tomorrow. I highly recomend this book because of its structure to teach how to make a BEAUTIFUL DOLL FASHIONISTA. Thanks to the Author Ellen Lumpkin Brown.

Using this book, readers will be able to create truly customized dolls - literally from head (curly hair? Straight?) to toe (ballet slippers or sandals?). Skin dyeing technique alone will allow readers to create a range of ethnicities, and is unlike anything in any other book on the market. The fashion templates allow readers to start creating simple fashions immediately, but the techniques give readers the ability to start their own fashion designs.

About the AuthorEllen Lumpkin Brown is a doll maker, businesswoman, pattern designer and author, and her original felt dolls are collected by doll enthusiasts all around the country. She is the owner of The Doll Loft, an Internet shop for custom-made dolls, doll making kits and patterns, and doll clothing patterns. Visit www.TheDollLoft.com to see more of Ellen's work.
