Echoes of Remembered Rooms Vol 1 2: Antique Dollhouses, Rooms, Miniatures, Dolls

Florence Theriault : Echoes of Remembered Rooms Vol 1 2: Antique Dollhouses, Rooms, Miniatures, Dolls
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Echoes of Remembered Rooms Vol 1 2: Antique Dollhouses, Rooms, Miniatures, Dolls:

0 of 0 people found the following review helpful. Five StarsBy Barbara A. Gilmorebeautiful photography3 of 3 people found the following review helpful. A beautiful, comprehensive visual encyclopedia of dollhouse furnishings in 2 volumesBy Laurel F. ParkerThese are superb books, with exceptional photos of room boxes (doll *houses* are barely represented), but make certain your auction is for BOTH Volumes, and demand a correction if you only receive one. Even though the description lists 2 volumes, some sellers only send one. Like most Theriault books, the photos are large, clear and well staged. Best of all, they separated the room boxes elements, so you get a clear view of each piece of furniture, and the roombox itself. I own approximately 50 antique dollhouse books. This set is among my top five.

An exceptional book featuring 125 antique doll houses, doll rooms and kitchens, and hundreds of rare miniature furnishings, accessories and dolls. The book features the 30-year collection of Hanne Buktas of Vienna, Austria. "These extraordinary objects from the 19th and early 20th century are a testament to one woman's vision of a perfect past", says Florence Theriault who authored the book. Hardbound, thousands of full color photographs, each object

described in detail.
