Effanbee's Dy-Dee: The Complete Collector's Book

Barbara Hilliker : Effanbee's Dy-Dee: The Complete Collector's Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Effanbee's Dy-Dee: The Complete Collector's Book:

6 of 6 people found the following review helpful. Everything you want to know about Dy-Dee Baby.....By B. Graupmann This is a great volume for anyone who had, has, and loves Dy-Dee Baby. I was amazed at the attention paid to details like clothing and 'baby stuff'. I had a lot of baby stuff for my Dy-Dee and her cousins, but there was a whole lot more available than I ever dreamed. That so many of these dolls have survived, is a testament to Dy-Dee's ability to inspire maternal love and nurturing. It's not only a book for collectors, but also an interesting look at marketing techniques and our culture. Robert Tonner's motto, 'Believe in the power of play' is illustrated profoundly in this volume, and his reproduction of the Mold 1 Dy-Dee Baby, to be released this fall, is a most fitting tribute to the baby doll that has captured so many hearts over the years. 0 of 0 people found the following review helpful. Great information for Dy-Dee Baby owners By Stacy S. Gottschalk I recently realized that The Dy-Dee baby I own was worth

a little money and wanted to know more about them. I found this book and was able to have all my questions answered from which modle I own to how these dolls are constructed. Is a awesome reference and history of these dolls.0 of 0 people found the following review helpful. Five StarsBy G's BooksExcellent!

One of the earliest 'drink-and-wet' dolls, Dy-Dee was produced by the Effanbee Doll Company, from 1934 through the 1950s. This comprehensive collector's reference includes identification information for the doll, the materials associated with her, and a bonus pattern section.
