Electrum coin of the Scythians (LB Library) (Volume 4)

Ivan Butkevych : Electrum coin of the Scythians (LB Library) (Volume 4) before purchasing it in order to gage whether or not it would be worth my time, and all praised Electrum coin of the Scythians (LB Library) (Volume 4):

The era of electrum coins is among the most popular topics for research. Indeed, it is difficult to imagine any other period in the history of coinage, so plentiful for all kinds of assumptions and hypotheses. However, in spite of so much attention from researchers, we can emphasize that the scope of our reliable knowledge about these coins is much smaller than the area of the unknown. One of the most mysterious pages of the story are electrum coins of a special

type, all known findings of which come from the region of the ancient settlement Borysthenes, located at the mouth of the Dnieper-Bug estuary. On the pages of this little book, we will try to solve the mystery
