Elite Styles Co. : Elite Fashions Catalog, 1904 (Dover Pictorial Archives) before purchasing it in order to gage whether or not it would be worth my time, and all praised Elite Fashions Catalog, 1904 (Dover Pictorial Archives):

0 of 0 people found the following review helpful. Lots of elaborate ensemblesBy meThis is a 1904 era catalogue of women's styles. Lots of elaborate outfits for day night. I love the looks from this period of time, but am glad to wear comfortable modern clothes on a daily basis.

What the well-dressed woman was wearing at the turn of the century, depicted in scores of dazzling illustrations: elegant morning, tea, and bridal gowns; negligees, blouse waists, girls dresses, housecoats, evening apparel and more. Descriptive captions provide elaborate details of fabrics and design.
