Ellen Walton

Alvin Addison : Ellen Walton before purchasing it in order to gage whether or not it would be worth my time, and all praised Ellen Walton:

Excerpt: ... words in the distance, and notwithstanding she had made a show of boldness, she was really alarmed, and greatly dreaded the future. She knew that an evil-minded man, however contemptible, was capable of doing infinite harm to a fellow-being, when determinedly set thereon. Thus, between hope and fear, her time was passed. CHAPTER
