## **Empire Fashions (Dover Fashion Coloring Book)**

**Tom Tierney : Empire Fashions (Dover Fashion Coloring Book)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Empire Fashions (Dover Fashion Coloring Book):

Coloring the fashions with my own color combinations is very challenging.7 of 8 people found the following review helpful. MAKES YOU APPRECIATE FASHION DESIGNERSBy TrueVisionThis book is for an adult, who enjoys coloring with colored pencils. Most of the designs are elaborate and a real education on what women once wore. The challenge is being a designer and coming up with different color combinations. It gives one a real appreciation for fashion designers. The artwork is back-to-back and the paper is smoother than most. There are 48 pages. I gave it 4 stars because I didn't care for the male costumes. However, most are featured with the women, as escorts. I really enjoyed this book, it is one of my favorites.0 of 0 people found the following review helpful. Empire

Fashions coloring book, stunning ! By Robert Norris Love the styles, great fun!

This coloring book panorama of late eighteenth- and early nineteenth-century French fashions offers a fascinating survey of the changes in clothing style worn during and after the Revolution, and of clothing of the Napoleonic era in general. Forty-five plates of detailed, accurate illustrations include representative of claw-hammer frock, coats and vests for the well-dressed man, loose pantaloons and shorter skirts for the working classes, high-waisted promenade gowns for fashionable ladies, the coronation gown worn by Empress Josephine of France, and other examples of period dress. Footwear, walking sticks, reticules (purses), top hats, turbans, a "poke" bonnet, and dozens of other period accessories are included, along with hairdos for men and women. A highly informative Introduction and detailed captions complete this new addition to Dover's popular coloring book series on the history of costume.
