Lord Stewartby : English Coins: 1180-1551 before purchasing it in order to gage whether or not it would be worth my time, and all praised English Coins: 1180-1551:

English Coins: 1180-1551 This book is an indispensable point of reference for students, curators, dealers and collectors. It is also a ready source of information for historians and others with a more general interest in English medieval coins. In addition to dealing with the technical numismatics of the series, the author has included a section on the mint accounts of each period, and a general historical and economic overview to put the coins in their context.

It features over 600 plates.
