Why would hundreds of people get up at 5 am on a Saturday morning, drive 35 miles through a blizzard and wait for hours in front of a dilapidated old house-and be excited about being there? The answer is an estate sale-it is the thrill and excitement of going to an estate sale to search an old house for valuable antiques. And some estate sales are just packed with valuable antiques waiting to be discovered-old vases, old paintings, valuable coins, the list is endless. Estate sales are always fun and exciting to attend but more important estate sales can be very profitable. This book will show you how to have fun and make thousands of dollars at estate sales!!!

About the AuthorMark Baker is a graduate of the University of Pittsburgh who has been actively involved with the antiques and collectible business for over 20 years, especially with its relationship to estate sales.
