Evolution of the Radio, Vol. 1

Scott Wood : Evolution of the Radio, Vol. 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Evolution of the Radio, Vol. 1:

1 of 1 people found the following review helpful. Mostly Vintage AdvertisingBy CustomerNot a bad book--largely a collection of vintage advertisements from catalogs and magazine display ads. It's nice in that respect--there's a fair amount of information that can be cleaned from old Sears catalog ads, but if you want more, look elsewhere.2 of 2 people found the following review helpful. Fun for the radio collectorBy Joseph ConsoliA staple for the radio collector. get Vol. 2 also. You'll refer back to them very often.
