(Mobile book) F6F Hellcat - Walk Around No. 9

## **F6F Hellcat - Walk Around No. 9**

**USNR LCDR Richard S. Dann : F6F Hellcat - Walk Around No. 9** before purchasing it in order to gage whether or not it would be worth my time, and all praised F6F Hellcat - Walk Around No. 9:

0 of 0 people found the following review helpful. EXCELLENT PROFILE OF THE "ACE MAKER"!By P. A. PanozzoFor any aviation aficionado, the Squadron/Signal Publications aircraft profiles are extremely valuable references. The Walk Around series of the F6F Hellcat is a priceless guide to the aircraft that helped defeat the Japanese in WWII. Loaded with photos both black and white and color, and schematic drawings, this volume is a terrific tool for model builders as well as aviation scholars!0 of 0 people found the following review helpful. She loved the bookBy CustomerI actually bought this is a gift for somebody. When she was 17 she worked on the engines during the war. She loved the book.0 of 1 people found the following review helpful. Five StarsBy Andrew lawrenceExcellent !

"F6F Hellcat Walk Around," Squadron/Signal Publications. F-Fighter F-Grumman (mfr).FEATURES: Informative and well written introduction describes various designs of the F6F Hellcat plus talks about its history. Contains many excellent color photos, each depicting a certain aspect of the aircraft. With each photo is a descriptive caption for explanation. Highly educational and detailed book, excellent research material for scale modelers.Squadron SignalPart SSP5509
