Fabergs Animals: A Royal Farm in Miniature

Caroline de Guitaut : Fabergs Animals: A Royal Farm in Miniature before purchasing it in order to gage whether or not it would be worth my time, and all praised Fabergs Animals: A Royal Farm in Miniature:

0 of 0 people found the following review helpful. Faberge's Animals: Purchased at .comBy depA very lovely book showing the English side of the works of Faberge. This truly is a miniature farm crafted in detail by Carl Faberge.

King Edward VII commissioned these works of art in 1907. I must admit, after seeing the many works of art by Faberge created for the Russian royal family, these seem a bit tame by comparison. Overall, a beautiful book showing a different not as well known side of Faberge.1 of 1 people found the following review helpful. Other Beautiful Items by FabergeBy Rooster GuyI was delighted to see what other creations the Faberge Company created over the years.

These animals are so interesting and creative and enjoyable to view. True artist at work.3 of 3 people found the following review helpful. a petite zooBy Jose F. Santiago-IlorensA beautiful and informative book about the Sandrigham royal commission. A good deal of unpublished photos are revealed. If you have the book about Faberge's Flowers studies, this will be a great companion. A B-A-R-G-A-I-N.
