Can't afford Godey's. The cut-outs are the next best thing. Bought for a gift. Chose a lightweight package to be sent to  
the United Kingdom.

Godey's Lady's Book was probably the most influential women's magazine of its era, offering recipes, household tips,

and hand-tinted fold-outs showing the latest fashions. Based on those vintage fashion designs, this book offer seven fashion paper dolls and a comprehensive wardrobe for each, including bridal gown, bathing suit, evening wear, everyday outfits, and more 50 in all.
