[Online library] Fashions of the Regency Period Paper Dolls

## Fashions of the Regency Period Paper Dolls

**Tom Tierney : Fashions of the Regency Period Paper Dolls** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fashions of the Regency Period Paper Dolls:

3 of 3 people found the following review helpful. Lovely pictures but a lot of guessing without captionsBy Cynthia T.I enjoyed this book, but it would have been really helpful for the author to have just given a couple of lines on each page to describe the outfits. For example "Silk ballgown, 1812" or "Muslin pelisse 1815," would have made this book more than just a child's cut out toy. Just a few words on the page would have made all the difference and given this book historical weight...and a fun learning experience. A real shame.6 of 6 people found the following review helpful. dozens of dollsBy H.This book is full of excellent costumes to fit every ocasion, and use. Balls, walks in the park, traveling, court presentations; "George and Jane" are prepared for it all. The dolls have been great fun and very useful for everything from period dioramas to costume ideas. Even the undergarments on the dolls are appropriate for the period. Certainly my favorite of the Tierney's I own.2 of 2 people found the following review helpful. The illustrations

were okay...By Everything Stops at Half Past 3 for TeaThe dresses looked like they were hanging off the arms on some of the illustrations, the figures were drawn a little out of proportion. The dress details were lovely.

2 attractive dolls, 30 elegant costumes all carefully researched and accurately rendered reveal what the well-dressed English were wearing nearly 2 centuries ago. Wardrobes include chemises, Empire-style gowns, spencers (very short jackets), frock coats, trousers, hats, boots, shawls and much more.

About the AuthorOne of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.
