Fashions Through the Ages Paper Dolls

Tom Tierney : Fashions Through the Ages Paper Dolls before purchasing it in order to gage whether or not it would be worth my time, and all praised Fashions Through the Ages Paper Dolls:

1 of 1 people found the following review helpful. GREAT Book!By Bobbie Anne GrossFor the serious student of costume as well as the merely curious, this survey of fashions through the ages is wonderful! Seeing how our ancestors pushed, squeezed, and padded to make themselves more attractive is a hoot. With everything from the outrageous to the modestly concealing to the discreetly sexy of both men's and women's fashions, this survey is well worth purchasing!1 of 1 people found the following review helpful. 4,000 Years of Fabulous Fashion!By J. ArenaFashions Through The Ages Paper Dolls by Tom Tierney is a fun and educational study of the changes of fashions from way-back-when to up-to-the-minute leather and punk! The illustrations are beautiful, and you may well want to buy two copies -- one to cut out and play with, and another to keep in pristine condition for ready reference.If you are a fan of Mr. Tierney, this book is certain to be a favorite in your collection. His work is sheer perfection.

30 stunning costumes highlight 4,000 years of fashion history. Fashions throughout history take the spotlight in this extravagant collection of stylish clothing. Paper doll fans of all ages will love dressing two dolls--male and female--in accurately rendered costumes dating from the days of the ancient Egyptians to the punk rock look of the late 1900s. Women's fashions include a dazzling, yet simply constructed, gown from the time of the Pharaohs; a gracefully draped Greek robe; elegant Elizabethan and Empire gowns; Victorian-era dresses with full skirts, pinched waists, and bustles; and knee-length chemises from the early twentieth century. Among other outfits, the gentleman can be dressed in a wide-sleeved medieval robe; Restoration finery with lacy cuffs and neckwear; sophisticated suits for the twentieth century; and a leather outfit with metal studs for that end-of-the-millennium look.

About the Author One of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.
