(Mobile pdf) Fiber Expressions: The Contemporary Quilt

## **Fiber Expressions: The Contemporary Quilt**

**Quilt National : Fiber Expressions: The Contemporary Quilt** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fiber Expressions: The Contemporary Quilt:

More than 90 modern quilts juried into Quilt National '87, the most prestigious international exhibition of contemporary quilts are featured in this new book. These exciting examples demonstrate the increasingly varied field of the quilt as a modern form of art. The book is enriched by comments from the artists and jurors, including Gerhardt Knodel and Jan Myers, and author/curator Penny McMorris.
