Fifty Years of Motor Trend

From Brand: Motorbooks International : Fifty Years of Motor Trend before purchasing it in order to gage whether or not it would be worth my time, and all praised Fifty Years of Motor Trend:

Since the first issue rolled off the press in 1949, Motor Trend has evolved into an auto industry stalwart, documenting the current activities, interests, and, appropriately enough, trends in the automotive world. An introductory text for each chapter segues into a huge collection of Motor Trend photo highlights, information-filled captions, and sidebars that recall significant events from the year in automobiles.
