Firearms Curiosa

Lewis Winant : Firearms Curiosa before purchasing it in order to gage whether or not it would be worth my time, and all praised Firearms Curiosa:

2 of 2 people found the following review helpful. A Gunsmith's MUST HAVE!By AlanI have been a professional Gunsmith for over 30 years. My reference book collection was damaged recently, so I am rebuilding my library. These books, and those like these are an absolute must for anyone who is a gunsmith, or aspires to become a gunsmith. This book, while a bit worn and aged, is a perfect example. Because all that matters is the information it contains. A+ to the seller, and A+ to anyone whom buys books like these, from sellers like these!A. B. ColeFirelocks Unltd.0 of 0 people found the following review helpful. great bookBy maddy09A very good book, just what I was looking for, thank you.0 of 0 people found the following review helpful.
