You need this bookBy LibbyIf you are a vintage/antique lure collector then you need this book. Great pictures, descriptionsand will educate you on everything you need to know about fishing lures

The first questions a beginning lure collector usually asks are: 'What is it?'; 'What is it worth?'; and 'Who made it?' In order to provide these answers and facilitate the reader's understanding of antique fishing lures, the authors of this book have intentionally avoided lengthy pages of text. Instead, they have used excellent color photographs and a lifetime of knowledge and experience with fishing lures to create the most complete and convenient single volume available today: *Fishing Lure Collectibles, An Encyclopedia of the Early Years, 1840 to 1940*. This benchmark concept has proven its acceptance among its readers by becoming Collector Books' bestselling book on collectible fishing lures. That the tackle collecting hobby is difficult to learn is undeniable, and it is for this reason that these foremost experts prepared this helpful publication. As one of the three founders of the National Fishing Lure Collectors Club and editor of its magazine, Dudley Murphy, along with noted lure collector Rick Edmisten, bring a combined total of over 75 years of advanced collecting experience to this book. 2007 values.

The authors bring a combined total of over 75 years of advanced collecting experience to this book. Individual chapters are devoted to the major companies, with lures grouped more or less chronologically within each chapter. Even more important, lures are organized by similarity of design, which is more helpful in comparing small changes of detail. Additional chapters cover miscellaneous lures of several types, with one especially interesting one on Folk Art lures. About the Author Rick Edmisten was introduced to fishing at age 12 by his father, and by the time he was 18 had developed a keen interest in collecting old lures and tackle. He has hosted a successful fishing tackle collectible show from 1990 to the present, and is recognized as an authority on old tackle. He often appraises estates and collections.
