Florence's Glassware Pattern Identification Guide: Easy Identification for Glassware from 1900 Through the 1960s, Vol. 2

Gene Florence : Florence's Glassware Pattern Identification Guide: Easy Identification for Glassware from 1900 Through the 1960s, Vol. 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Florence's Glassware Pattern Identification Guide: Easy Identification for Glassware from 1900 Through the 1960s, Vol. 2:

0 of 0 people found the following review helpful. Four StarsBy MarimacInteresting information in it.1 of 1 people found the following review helpful. Found something I had almost instantlyBy Love to nestI had some trouble figuring out how this was arranged. It may be better when I have time to sit down and really read it. I am just starting to learn about glassware and have bought several books on this subject. this one is more for an overview than delving deeply

into one type.0 of 0 people found the following review helpful. Glassware PatternsBy SoCal ChefGreat book. Not all patterns listed. (Too many!)

Gene Florence's second edition of his Glassware Pattern Identification Guide includes every pattern featured in his other price guides, as well as many more - nearly 500 patterns in all. A carefully planned close-up photograph of a representative piece for every pattern shows great detail to make identification easy. With every pattern, Florence provides the names, the company which made the glass, dates of production, and even colors available. 8.5 x 11.

This book is the second in Florence's three-volume set, with no repeats from the other two volumes. It saves collectors untold hours of research trying to identify things in their inventory. Hundreds of glass patterns are shown in detail for easy reference.About the AuthorA collector since childhood, Gene Florence's hobby of buying and selling glassware turned into a full-time career. First writing a book on Depression Glass, Florence has gone on to author many popular glassware titles including books on Depression Glass; Occupied Japan Collectibles; Kitchen Glassware; Very Rare Glassware; 40s, 50s, 60s Glassware;Elegant Glassware; Stemware; Glassware Pattern Identification; Anchor Hocking's Fire-King; Glass Candlesticks; and Salt Pepper Shakers.
