Scotland's Crafts

From Brand: National Museums Of Scotland : Scotland's Crafts before purchasing it in order to gage whether or not it would be worth my time, and all praised Scotland's Crafts:

0 of 0 people found the following review helpful. Interesting book with nice photographyBy KCVery informative book! I purchased it to prepare for a visit and glad I did.0 of 0 people found the following review helpful.

InformativeBy Geraldine A. DalbecI have friends of various nationalities and it is always fun to read about backgrounds from their culture. The Scottish people were very skilled. Enjoyed the book.2 of 2 people found the following review helpful. Brilliant book about traditional craftsBy A CustomerMust be the definitive book on traditional crafts in Scotland today - well written and insightful essays and fabulous photography. Made me really want to go and see the places and the people who make these objects - also made me realise that some of the crafts are becoming endangered species. I hope this book will revive interest - even as a travel book it's great!

Shetland and Fair Isle knitting, tartan weaving, shepherds' crooks, Orkney straw backed chairs, bag pipes.

About the AuthorLouise Butler is a freelance curator based in the Scottish Borders. Shannon Tofts is passionate about crafts. He works out of his Edinburgh studio and travels extensively around Scotland.
