Each Search Save volume from Whitman Publishing is a 64-page book bound with a Whitman Classic Coin Album page for storing and displaying a coin collection. These entertaining and beautifully illustrated Search Save volumes are ideal for beginner to intermediate hobbyists, and the perfect way to introduce newcomers to the fun of coin collecting. In 1999 American started a 10-year celebration of the states that make up our great nation. The 50 State

Quarters Program commemorated each state in the order that it joined the Union. Five new quarter dollar coins were issued every year from 1999 through 2008. Each has a unique reverse design symbolic of its state's history, traditions, culture, or natural environment. In late 2007, Congress approved another coinage series for the quarter dollar, to start in 2009. The new program gave us quarters for the District of Columbia and the five U.S. territories: the Commonwealth of Puerto Rico, Guam, American Samoa, the United States Virgin Islands, and the Commonwealth of the Northern Mariana Islands. With this attractive commemorative book and coin album you'll learn all about these coins, and more. And you can build your own personalized collection of State quarters! These are historically important coins that you can find in your pocket change. Your classic Whitman Story Book is perfect for display and for long-term storage. It will keep your coins safe so you can show them off today and for future generations.
