[E-BOOK] Shelley(tm) Tea Ware Patterns (Schiffer Book for Collectors)

Shelley(tm) Tea Ware Patterns (Schiffer Book for Collectors)

Sheryl Burdess : Shelley(tm) Tea Ware Patterns (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Shelley(tm) Tea Ware Patterns (Schiffer Book for Collectors):

0 of 0 people found the following review helpful. pleasedBy stephen kvery pleased1 of 1 people found the following review helpful. Excellent reference!By lumen8This is the most complete reference for Shelley tea ware patterns that we have found. Shelley shapes and styles are well illustrated, and thousands of photographs of Shelley patterns are shown. Information is provided on dates of manufacture for most all patterns. Consider this book the "must have" guide to Shelley tea ware.0 of 0 people found the following review helpful. A must for anyone interested in Shelley chinaBy C. MacComprehensive coverage of patterns by name or number, with many, many photographs. Not a cheap book but well worth the price.

This encyclopedic reference presents thousands of tea ware patterns produced by Shelley Pottery*TM and its predecessors, Wileman Company*TM and Foley China*TM, of Staffordshire, England, from the 1860s through 1966.

Arranged by pattern number, thorough listings include the color variations, back stamps, and the numerous body shapes on which the patterns appear. Over 760 beautiful color photographs display Shelley*TM porcelain tea wares. A bibliography, index, and current market values in the captions complete this valuable guide. About the Author: Sheryl Burdess is an acknowledged authority on Shelley China*TM, which she has been collecting and researching for many years. She lives in Norfolk, England.
