Fantastic detail and historyBy BillThis two volume set by Q. David Bowers is the definitive reference for silver dollars and trade dollars. In addition to describing the differences and characteristics for each dollar for every year of minting there is a lot of facinating history included for each series. If you are a serious silver dollar collector, these books are indispensible for identification, minting characteristics, and rarity at all grade levels.Highly recommended.1 of 3 people found the following review helpful. Published in 3 formats: softbound, hardbound and deluxe hardboundBy dustyrhodesI have the deluxe hardbound set that I purchased directly from Bowers and Merena Galleries Inc.inside the front cover of Volume 1 it states the following:ISBN 0-943161-49-5 - SoftboundISBN 0-943161-48-7 - HardboundISBN 0-943161-50-9 - Deluxe Hardbound (Limited to 900 copies)Just wanted to clarify this before I send my set in to sell on PrimeThis is an absolutely fantastic set..an incredible amount of information for Silver Dollar collectors!
