4 of 4 people found the following review helpful. EASY TO UNDERSTANDBy Michele D.Kathy Todd-Hooker's books are all excellent and this is no exception. Clear concise instructions on warping all kinds of looms. The only disappointment for me was that she did not include the larger vertical tapestry looms in her how too, but with everything there, I was able to figure out what I needed to do.2 of 3 people found the following review helpful. excellent choice for choosing a warping methodBy S. L. WatersI appreciate the descriptions and few photos and drawings that support the text describing a method. It is a great book for a self starter. Learned several important things that are useful for selecting warp and weft fibers.

A book on warping a weaving loom.
