Southwestern Indian Baskets: Their History and Their Makers (Studies in American Indian Art)

Andrew Hunter Whiteford : Southwestern Indian Baskets: Their History and Their Makers (Studies in American Indian Art) before purchasing it in order to gage whether or not it would be worth my time, and all praised Southwestern Indian Baskets: Their History and Their Makers (Studies in American Indian Art):

0 of 0 people found the following review helpful. Southwest basketsBy Joanne WiedenbeckBeautiful book and worth having in the library at my home. I make basket and it is a great reference book. I have been happy with the service and it was as it was described.

A complete and comprehensive history of the craft of basket-making. Includes a discussion of the concept of basketry as a form of art.

This book represents a significant addition to our knowledge and understanding of the best-known and most widespread of surviving Southwestern Indian crafts. -- The Arizona Daily Star
