## Standard Catalog of Pontiac, 1926-1995

**John Gunnell : Standard Catalog of Pontiac, 1926-1995** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Standard Catalog of Pontiac, 1926-1995:

0 of 0 people found the following review helpful. Catalog of Pontiacs, 1926-1995 By Jacquelin L. Morris This a great book about Pontiacs and gave it to a friend who loves Pontiacs. He is reading it and has enjoyed since he got it. It gives a lot of details about the cars. 0 of 0 people found the following review helpful. Must have for the car nut By FiitzTheKat Must have for any automotive library 8 of 9 people found the following review helpful. Excellent source for numbers By Christopher L. Batson This is a great book of numbers. Every Pontiac line included. Numbers given on all. As with other numbers books there are a few mistakes, but that can surely be overlooked when you open this up. Production numbers of each car, brief histories, etc.. This book has it all. Even if you like just one Pontiac and are enthusiastic about it I recommend it. You won't be disappointed.
