Trispective: The 3-N-1 Quilt

Flora Joy : Trispective: The 3-N-1 Quilt before purchasing it in order to gage whether or not it would be worth my time, and all praised Trispective: The 3-N-1 Quilt:

4 of 4 people found the following review helpful. Cool technique, a quilting masterpieceBy Sew It SeamsJust received the book today. I saw the Sleep Pray Scream quilt at the NW Quilting Expo in June. I had to know the technique. The book is well written and explains the procedure step by step. Good list of supplies used, great photos. That being said,

I have no desire at this time to print photos on fabric, etc. I think if that's your interest and you want to make a completely different type of quilt, this would interest you.1 of 1 people found the following review helpful. You need Adobe Photoshop for thisBy LindaWell written and very clear. However, no mention of the fact that you have to have

Adobe Photoshop until about halfway through. For those who do, the instructions are detailed and very well presented.1 of 1 people found the following review helpful. Great instructions and interesting way to do a quilt or ...By farm wifeGreat instructions and interesting way to do a quilt or wallhanging. I recommend this for experienced quilters or for anyone wanting a challenge to learn a new technique

Learn to create a three-dimensional showpiece that demonstrates both technical and artistic abilities. A great choice for quilters who love a challenge. Instructions on photo manipulation allow for images of varying sizes to blend seamlessly into one quilt. Learn how to bring out photo details with decorative stitches, thread painting, or bobbin work. Flora expounds upon how to pleat your images to create the 3-n-1 effect.

About the Author Flora Joy graduated with a Bachelors of Science degree and began teaching at age 18. She holds the record for being Eastern Tennessee State University's youngest graduate. She has made numerous presentations with her Fabric Arts and quilting productions. Her passion is not only making art quilts, but in the discovery of unique quilting concepts and techniques. She would definitely rather sew than to eat or sleep-and that's saying a lot!
