## Twelve Garden Fairies Bookmarks

**Darcy May : Twelve Garden Fairies Bookmarks** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Twelve Garden Fairies Bookmarks:

0 of 0 people found the following review helpful. Pretty!By susan cMy 10 year granddaughter told me she would love a bookmark for her birthday. (She is very easy to please). These are so pretty! Also nice and thick. She will love them! Hint: I put these in a baggy along with a lavender scented cotton ball. They will smell wonderful when I give them to her next week!0 of 0 people found the following review helpful. Looks niceBy Irene PalLooks ok, it's too smallI was expecting longer for a bookmark3 of 3 people found the following review helpful. Great inexpensive bookmarks!By RachelThese bookmarks are a great bargain, especially given some places sell even paper bookmarks for a few bucks. These are a thick paper with a high gloss finish on the side with a picture. The one drawback is that you have to tear

these out of the book, so they have perforated edges. I have a paper cutter and carefully removed the rough edges and that made them look much better. (A scissor would work, too, but be more time consuming and it might be harder to get neat cuts.)I've given many of these away by including one or two in a card and the people I've sent them to love them, especially my friends who are gardeners. Enjoy!

These enchanting images are ideal for marking your place in any book. Twelve captivating bookmarks depict a host of ethereal fairyland creatures in repose against colorful garden backdrops seated on a leafy perch beneath lovely blossoms, climbing an ivy vine, and in other floral settings. Printed on sturdy stock and laminated for durability, these easily detachable, ready-to-use place keepers, presented in a handy book format, will stay clean and wrinkle-free until ready for use.

About the AuthorDarcy May was born in Redondo Beach, California, and traveled east with her family as her father's career in art flourished. Now an award-winning professional herself, she has created paintings for a number of private collections and illustrated many books for Dover and other major publishers.
