Blumea bit of a wait for it but does show lots of beanie babies and their value back in the day. book clean, no marks.3 of 3 people found the following review helpful. A must for the Ty plush collector!By A CustomerWe Ty plush collectors have been waiting for this book. This guide contains pictures and information on Ty plush that I had never ever heard of! The pictures are very well done, very clear. It also has information on Attics and Beanies, but it's the plush section that really makes it unique.0 of 0 people found the following review helpful. Five StarsBy Diana J. HerbstGood guide.
