U.S. Stamp Yearbook 1995

Unknown : U.S. Stamp Yearbook 1995 before purchasing it in order to gage whether or not it would be worth my time, and all praised U.S. Stamp Yearbook 1995:

0 of 0 people found the following review helpful. Great infoBy ClipperHad all the information I need within its pages. Nicely put together. Definitely with the price.

Devoted to the postage stamps and postal stationery released by the U.S. Postal Service during the year. The Yearbook tells you all you want to know about each issue: why it was issued, how its design was developed, what problems or

controversies surrounded it, production facts and figures. Also illustrated are artists' sketches and essays unavailable in any other published work.
