Ultimate Car Spotter's Guide, 1946-1969

Tad Burness : Ultimate Car Spotter's Guide, 1946-1969 before purchasing it in order to gage whether or not it would be worth my time, and all praised Ultimate Car Spotter's Guide, 1946-1969:

Every American car built between 1946 and 1969 is identified in this easy-to-use guide to car-spotting. Lists everything from standard equipment and original cost to model variations, horsepower ratings, distinguishing emblems, "new features" and even what the dashboard looked like! Thousands of photographs and original promotional illustrations capture every vehicle from all angles. Auto restoration specialists will need this book for positive identification and often-omitted details.
