Unitt's Canadian Price Guide to Antiques and Collectables (Unitt's Guides)

Peter Sutton-Smith : Unitt's Canadian Price Guide to Antiques and Collectables (Unitt's Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Unitt's Canadian Price Guide to Antiques and Collectables (Unitt's Guides):

A direct, simple and factual guide for collectors, dealers, and the antiques and collectables trade, as well as for those looking for pleasure and perhaps a better investment than found with contemporary pieces. The latest edition includes some Canadian-only categories new to any available price guides: The Medalta and Medicine Hat Potteries, Alberta Altaglass, Piggy Banks from the Reliable Toy Company of Toronto, and an update and corrected history of W.J. Hughes Canadian Cornflower Glass.

About the Author Peter Sutton-Smith is the editor of the Canadian Handbook of Pressed Glass, and has been a full-time antique dealer for over 25 years. He has held the position of Editorial Director of the Antique Showcase, Canada's only national antiques magazine, now in its 36th year of continuous publication. Peter lives north of Toronto, Ontario.
