A great read!!!By Yvonne A.To this day when I am at the intersection of 19th Avenue and D Street in Lemoore, CA, I look to the huge billboard that displayed Maria Piceno's picture for months on end. I look at the apartment she lived in with her mother and sister and feel a deep sadness for

her loss. This author, by telling this story, has let Maria's short life be remembered and memorialized in the hearts of a community which was shattered over 20 years ago. To the author, I say thank you for telling Maria's story and giving credit to those who worked diligently to get justice for Maria. 8 of 8 people found the following review helpful. I love this book! By Donna I am biased because this book tells a personal story. Mark writes the story of 8 yr old Maria who was abducted and murdered by my brother. I had an overwhelming feeling that my brother Gene was the perp. I turned him in and as they say the rest is history. However, Mark tells the story about politics and how infighting almost let Gene go free. There is so much to this story I cannot begin to tell you. Please read the book! Bingaman captures the reader in his first hand account of the horrific disappearance of Maria. He masterfully takes us along with he and his team of detectives as they investigate and subsequently solve this brutal crime with help from a very unexpected source. This case was an amazing piece of law enforcement work. It was fact and instinct working together that brought the killer to justice. Everyone needs to read this book. In doing so, we shall always remember Maria, and may we never forget that these awful crimes can happen in a small town. There are monsters out there.....but this one is off the streets.

**BABY-PROOF-CHILDPROOF-BULLETPROOF, THE ROLE OF PARENTS HAS NEVER BEEN GREATER.**  
Roaming unabated, a serial pedophile spent every waking moment pacifying his inner demons. Combatting illicit sexual cravings, like self-medicating an incurable disease, required daily heavy doses of hardcore pornography. A chilling account of an eight-year-old child kidnapped and brutally murdered. Rising up from a rural California town and striking back, a world-wide chase ensued for a sociopath gone mad. No respecter of human rights-a child's life. Leaving the United States and spanning half the globe, the hunt would never end until coming face-to-face with every parent's worst nightmare. A harrowing true-crime story grippingly told by a team of detectives left standing. The story of Maria Piceno is a testament of courage and faith-under fire. This special child wouldn't go quietly into the night. Out of life's hardest lessons, comes unforgettable sweet tender moments. Anyone that has loved a child-this is a must read, no one can afford to miss. You'll never be the same: **WHEN TOUCHED BY A CHILD**
