VBL Panhard (Les Materials Militaire du Monde) (French Edition)

Yves Debay : VBL Panhard (Les Materials Militaire du Monde) (French Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised VBL Panhard (Les Materials Militaire du Monde) (French Edition):

1 of 3 people found the following review helpful. Probably good but in FrenchBy Brett AngusThis book contains a wealth of knowledge and many color photos, but if you're interested in the Panhard VBL you need to learn French. A great many military books of this type are courteous enough to include English as well, so a greater number of people can enjoy what they offer. As it is, this becomes little more than a very nice picture book. Disappointing at this price.

Of course, the description clearly says "French", so you are warned. Now twice.0 of 0 people found the following review helpful. J'aime le livre!By David S. LongJ'adore le livre, "VBL PANHARD. This book was fantastic. Having the ability to read in a foreign language will open up doors to a wider variety of literature, especially en histoire

militaire.

French Text Known on the international market as the "ULTRAV", the ubiquitous light weight armored vehicle from Panhard - the VLB in French terminology - is well-designed and reliable. It gained fame in ex-Yugoslavia, serving not only with the French detachments, but also as the personal vehicle of General MacKenzie, the Canadian commander of the UNO forces.

without exception, the full-color images are simply outstanding a very fine effort and should prove useful to students of military vehicles (Missing Lynx)
