## **Vernon's Collectors' Guide to Orders, Medals Decorations (with Valuations)**

**Sydney B. Vernon : Vernon's Collectors' Guide to Orders, Medals Decorations (with Valuations)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vernon's Collectors' Guide to Orders, Medals Decorations (with Valuations):

0 of 0 people found the following review helpful. Lots of info, but datedBy Dr.L.Dated in pricing but worth the money for the book as a resource for the collector of military decorations. Some black and white photos of medals but certainly not enough. In any case, great for your resource library.0 of 0 people found the following review helpful. worked goodBy barbara jamesgreat book for itemizing and pricing medals.good quality pictures .helped us put a value on a collection that someone needed0 of 0 people found the following review helpful. Good referenceBy Music FanOne of the few trustworthy references in English, more details and pictures need (like a serires dedicated to each country). But very good.

interesting book about medals
