**Jeremy Cooper : Victorian and Edwardian Decor: From the Gothic Revival to Art Nouveau** before purchasing it in order to gage whether or not it would be worth my time, and all praised Victorian and Edwardian Decor: From the Gothic Revival to Art Nouveau:

7 of 7 people found the following review helpful. Victorian and Edwardian decorBy Patricia C. CaldwellThis book is more for people interested in a bit of history and furniture from the past. The book contains some colored but mostly black and white photo's along with a few drawings but it is well put together and educational reading and if your interested in older styles of beautiful furniture you will enjoy this book.
