Virginia Curiosities, 2nd: Quirky Characters, Roadside Oddities Other Offbeat Stuff (Curiosities Series)

Sharon Cavileer : Virginia Curiosities, 2nd: Quirky Characters, Roadside Oddities Other Offbeat Stuff (Curiosities Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Virginia Curiosities, 2nd: Quirky Characters, Roadside Oddities Other Offbeat Stuff (Curiosities Series):

0 of 0 people found the following review helpful. GREAT resource.By CustomerMy family loves to go on weekend jaunts to these odd destinations. Not ALL places are as listed in the books, but I think this is the best series for this

type of site seeing. The places are laid out geographically near each other by section. If you want to be SURE that something is still where it was when the book was written, you'd have to call ahead, but...that's become part of the fun too. 0 of 0 people found the following review helpful. Five Stars By Southern gal Sent to cousin in Honduras. 5 of 5 people found the following review helpful. What a Fun Way to Travel By RK Chevrolet Whether you're a newcomer to Virginia or a visitor - or a life-long resident, you'll be sure to find inspiration for countless day trips in your car in this intriguing book. If you love history, there's plenty for you to discover, including the farmhouse where Stonewall Jackson's arm is buried - and where people often leave lemons, a Jackson favorite, at the grave. If you enjoy pop culture, there's plenty for you in this book, as well. The author's personality shines through, as early as in the book's dedication - which is to her husband, who doesn't listen to a word she says, and to her horse, who doesn't miss a word. In this edition of Virginia Curiosities: Quirky Characters, Roadside Oddities Other Offbeat Stuff, Sharon Cavileer's second, she deletes information about sites in her first book that closed in the interim and she has added plenty of new material about quirky and intriguing places to visit in Virginia. This book is organized by geographical sections of Virginia, so that you can easily set up a road trip - or two or three or more - for each area of our great state.

Take your friends, your spouse and your kids and just enjoy the day!

Capture the strange-but-true spirit of Virginia with this combination almanac, off-the-wall travel guide, and wacky news gazette. This book is a great read for old-school Virginians, newcomers, and anyone else who enjoys humor and local trivia with a twist

From the Back Cover Your round-trip ticket to the wildest, wackiest, most outrageous people, places, and things the Old Dominion has to offer!
