I found it to be very interesting and well organized. It is also well photographed and logical in its information. This used book was also in excellent condition. As a beginning wall pocket collector, the information from this book will be invaluable. All this and I find the authors live in my home town!0 of 0 people found the following review helpful. wall pocketsBy kenneth lowmanthe book was very informnative0 of 0 people found the following review helpful. As advertisedBy naturessonGot just what I wanted.....arrived promptly, in good condition and had most of the info I wanted. Good photos and pricing info even if it was a bit dated.
