It was better than I thought it would be since it is ...By sarahIt was better than I thought it would be since it is written by someone who knows about appraising carnival glass. Its well organized with pretty pictures and the prices are right next to each picture so you don't have to check in the back of the book for the price info.0 of 0 people found the following review helpful. More than meet, just what I was looking for ...By Duane V. DickeyMore than meet , just what I was looking for!!!0 of 0 people found the following review helpful. Five StarsBy JAMESGREAT BOOK

Once considered the stepchild of the collectible glass community, today carnival glass, "poor man's Tiffany" is synonymous with class and exquisite artistry. This new edition of Warman's Carnival Glass includes a new description

format, revamped from simple line listings to listings with dimensions, title color and price range. Plus histories to major glass manufacturers, a guide to carnival glass colors, current collector pricing and detailed patterns of carnival glass colors, current collector pricing and detailed patterns of carnival glass from Acanthus to Zig Zag.

About the Author Ellen T. Schroy is a highly regarded expert in the antiques and collectables field. She's edited 24 editions of Warman's [registered] Antiques and Collectibles Price Guide, along with many other antiques and collectables references. She is frequently called upon to provide her expertise on radio programs across the US.
