A Must-Have for Children's Book Collectors!By MaryHThis is an incredible book! All color images! I felt like a little kid going through the Sears Wish Book at Christmas time.

It's a great way to see what it out there and do a "check list" of your collection.0 of 0 people found the following review helpful. Great book. Very useful, but does not have the Little Golden Books I was looking for.By DebbieBook is in great condition. I love the colored pictures, although it does not have Little Golden Books in it, only all other Golden Books.

Children's books delight generations of young and the young at heart with their morally wise fables and beautiful

illustrations. Although it's hard to put a price on timeless treasures there's definitely tangible collector values associated with these bookshelf beauties. You'll find updated secondary market prices, 2,500+ color photos to assist with identification of pieces, history and collector tips in this extensive reference.
