Washington Quarter Folder 1965-1987 (Official Whitman Coin Folder)

Whitman : Washington Quarter Folder 1965-1987 (Official Whitman Coin Folder) before purchasing it in order to gage whether or not it would be worth my time, and all praised Washington Quarter Folder 1965-1987 (Official Whitman Coin Folder):

2 of 2 people found the following review helpful. A compact and inexpensive way to organize your coinsBy Anthony HetchlerI bought the entire collection of these folders that is available at the moment. They all arrived within a day of each other, as expected. New users may think they seem small but they are a very compact and inexpensive way to keep your coins organized. A great tool for the beginner or the experienced coin collector. Be sure to lay the binder on a flat, hard surface like a desk or kitchen counter when entering your coins and you should have no problems.0 of 0

people found the following review helpful. Great for Coin CollectingBy Cindy GillThe perfect book in a convenient size to hold my collection of quarters. These books have been around for a long time and I have always used them for my coin collections. Coins are easily inserted and don't fall out. Removing the coins takes a little more effort but I manage to get them out without any damage to the book.0 of 0 people found the following review helpful. Great fit, excellent qualityBy Shae Lynn MaLayleyGreat fit, excellent quality. I bought this for my nine year son to add to our collection (which is steadily growing in scope AND size). Because of the scarcity of some of the other things we collect, the process of filling an album can be a little too slow-going for such a young kid. This worked out great because he gets faster gratification by just digging around in his pocket change (and the couch). Whitman has definitely set the standard.
