Nothing exotic. Thought the paper would be a bit thicker, but my 9 year old daughter has done a good job of not jabbing her finger through any of the empty holes for coins, so that is promising.I have seen the "children's Washington quarters national parks" book and it is bigger and more interesting for children. I should have purchased that one instead, but chose these because I could create a coin collecting "set of books" pennies through quarters.0 of 0 people found the following review helpful.
