## **Watch repairing as a hobby**

**Harold Caleb Kelly : Watch repairing as a hobby** before purchasing it in order to gage whether or not it would be worth my time, and all praised Watch repairing as a hobby:

1 of 1 people found the following review helpful. Not recommendedBy LeopoldA very disjointed book, chapters don't relate to one another, has poor detail on the subject, poor drawings. I found this book to be a terrible introduction to watch repair
