Watch the Swiss: Insights and outlooks from abroad

Gerhard Schwarz, Karen Horn : Watch the Swiss: Insights and outlooks from abroad before purchasing it in order to gage whether or not it would be worth my time, and all praised Watch the Swiss: Insights and outlooks from abroad:

What this book is about01 _ This book asks: Who are the Swiss, and what unites them? What is Switzerland's place in

the world? What should the Swiss protect themselves from, and which institutions should they preserve? How balance tradition and innovation?⁰² _ Contributors from around the globe recognize that Switzerland gains much strength from being small, from having a system of direct democracy and federalism, and from a deeply rooted commitment to liberty, together with economic wisdom and reliability.⁰³ _ Nevertheless, the interaction with the European Union is difficult, and the United States have been putting the Swiss system under stress. Some of these conflicts might imperil Switzerland's model altogether, if creative solutions aren't found.
