It is quality made and educational not to mention it just looks good. I recommend this Westward series book for any coin collector, child, adult, clowns, and mimes everyone will love it. It lays flat when open so you can put it on a shelf to showcase it. I actually found a cheap picture frame that was the perfect size for this and mounted it in my shed for when I am out there doing my coin hobby.0 of 0 people found the following review helpful. Pleased with purchaseBy Carolyn HettellThis was a gift for my nephew who is interested in coins and US history. This was great because it it addresses both interests. There is a blurb for each of the

designs which gave an explanation of the symbolism. There is space for coins from the 2 mints as well as space for additional nickles. To fill the book he needs 3 nickles of each design and then has the extra room for others. It is a little difficult to get the nickles in. The space is tight. Once they are in you may never get them back out- which could be a good thing!0 of 0 people found the following review helpful. Great Book! Lots Of SlotsBy Andrew CzwakielGreat book, slots are super tight for nickels, but they defiantly wont fall out! Paper cover and back are a little thin, pretty easy to poke something though if not carful. Overall great book for the price. Has slots for the face of each year and P D of each picture side for each year as well. Then there's also 8 empty slots for extra nickels too!

This is the H.E. Harris Co. Westward Series Nickels Coin Folder by Whitman. In 2004 and 2005, the U.S. Mint struck 4 new nickels for circulation. They honor the 200-year anniversary of the Louisiana Purchase, and the Meriwether Lewis and William Clark, sent westward by President Thomas Jefferson in 1804, to explore the new territory.FEATURES: This bi-fold folder gives you the ability to collect and display all of the new series Jefferson nickels. 26 total openings with a positive lock-in feature: \* 2 dated for the obverse \* 8 dated, mint marked and titled \* 16 blank Brief history behind each reverse design.INCLUDES: Coin FolderSPECS: Size: 7" x 9.5"Whitman CoinsPart WHC90923012
