Whomp It!

T.L. Bonaddio : Whomp It! before purchasing it in order to gage whether or not it would be worth my time, and all praised Whomp It!:

0 of 0 people found the following review helpful. ... of these several years ago for our receptionist who loved it but then took it with her when she ...By TigdiI had bought one of these several years ago for our receptionist who loved it but then took it with her when she moved onto another job. It provides a nice bit of humorous relief in a firm that can at times be quite stressful. Even the boss likes it. I'd definitely recommend it because even with all of the use our Whomp It gets, it's holding up quite well.1 of 1 people found the following review helpful. To whomp or not to whomp?By JustinThis is a handy device to be used when forceful and/or repeated percussive maintenance is frowned upon or can cause a loss of one's employment. As a handy dandy bonus it works as a great gavel for those impromptu legal sessions that so oft arise in today's society.Is this what the infamous Bunny-Foo Foo used to bop field mice on their heads? We may never know.0 of 0 people found the following review helpful. Keep this at your desk....By PuckIt can solve almost any problem for you. Actualy it can't but humor at work can help get you through the day. I keep mine right next to the "good" chocolates. It gets picked up many times, every day.

Computer crashed again? Whomp It! Work getting on your last nerve? Whomp It! Having one of those dense moments? Whomp It! This kit, including an inflatable squeaking gavel and hilarious 32-page guide, offers you the sure solution to any problem: Just Whomp It!

About the AuthorTeresa Bonaddio, a graduate of The University of the Arts with a BFA in Printmaking/Book Arts, is a writer, book artist, and editor. She resides in Philadelphia, PA.
