Winchester Shotguns and Shotshells: From the Hammer Double to the Model 59

Ronald W. Stadt : Winchester Shotguns and Shotshells: From the Hammer Double to the Model 59 before purchasing it in order to gage whether or not it would be worth my time, and all praised Winchester Shotguns and Shotshells: From the Hammer Double to the Model 59:

1 of 1 people found the following review helpful. Very informative. I bought it strictly for the information ...By Johnny OatsVery informative. I bought it strictly for the information on the Winchester Model 12. If you have interest in buying one of those shotguns, read this first. There are over 2 million Model 12's out there, many variations, make sure you get the one you want.0 of 0 people found the following review helpful. Winchester EnthusiastBy Mike DExcellent Plus0 of 0 people found the following review helpful. Five StarsBy Mario A. PancinoHonest descriptionGreat value

The definitive illustrated guide for the shotgunner and collector. Descriptions of the guns by grades with dates and details of changes. Shotshell development from 1877 with box labels and display samples. Bibliography of Winchester printed material from 1867 to 1981.
