Wine and Champagne: 24 Cards (Dover Postcards)

From Dover Publications : Wine and Champagne: 24 Cards (Dover Postcards) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wine and Champagne: 24 Cards (Dover Postcards):

Though I prefer postcards not come in this format, where three-fourths of each card's sides must be trimmed of perforations, I gladly submit and break out my trimming scissors in order to get such beautiful cards. Terrific to send, to frame, or just to moon over the lifestyle depicted. Quality control is sadly lacking in the printing and assembly of this book. One eight-card spread had faulty registration, printing, and assembly into the book. This rendered one-third of postcards completely unusable. Extremely frustrating. If Dover publisher got their act together or printed these in a different format, this would be a real winner.1 of 1 people found the following review helpful. Fantastic purchase!!!By MrsGreekExcellent - So so so Happy! I ordered these to use as our Save the Date postcards for our upcoming Speakeasy Wedding - and they are just perfect! Great quality, glossy

pictures, and they have the information regarding the artist and year the advertisement is from. Also, they come in a great flat book that is easy to remove from. I am so so pleased!!!The backs are almost completely blank so there is plenty of room to write!0 of 0 people found the following review helpful. Check for printing errors!By Robert LoyThe cards are nice albeit flimsy, but I could live with that. Worse than that, though, was the fact that the cards in my book were printed wrong and perforated wrong, a major printing error that makes most of the cards unusable. Unfortunately I did not notice this until after I had started removing the cards.

Romantic, humorous, and elegant, these promotional vignettes for wine and champagne date from the heyday of poster and advertising art. This unique collection features works by such masters as Jules Chret, Alphonse Mucha, Leonetto Cappiello, and other masters of popular art, selected from rare early-20th-century sources.
