This book gives general information,0 of 0 people found the following review helpful. As a full housewife I look for some things thBy SimmonsAs a full housewife I look for some things that I can do to spend my time and at the same time to earn. Luckily I found this book and it gave me a great idea on how to spend my time properly with wine making. This book gave me a guide o how to grow and take care of grapes, how to make wines for business or even for party drinks. This book is a total guide for every people who plans to be in a wine making business.0 of 0 people found the following review helpful. Wines!!By ChelleWine is one of the things that are put in the center table. Creating your own vineyard is a great idea especially if you are really into wines. Weather is need to consider in creating your own vineyard since your plants needed enough sunlight to do photosynthesis. The book gives advises on how to deal with pest and how to control this in your vineyard.
